## **Bo2W synthesis report is now available**

8th of April 2016 by Stefanie Degreif

The final Bo2W project report is now available in [English](#) and [German](#) on the [project website](#).

This synthesis report combines the comprehensive project activities, project outcomes, identified implementation barriers and proposals for how to overcome the barriers.

All published documents within the Bo2W project can be found here: [http://www.resourcefever.org/project/global\\_circular\\_economy\\_of\\_strategic\\_metals.html](http://www.resourcefever.org/project/global_circular_economy_of_strategic_metals.html)
