New Presentations and Articles from E-Waste Project now available

24th of November 2010 by Stefanie Degreif

Our team members working for the E-Waste Project in Africa provide new presentations and articles for this urgent issue:

- Towards Environmentally and Socially Sound E-Waste Management in W-Africa: Results from a Survey in Ghana and Europe ([presentation](#) and [article](#))
- Informal e-waste recycling sector in Ghana: An in-depth socio-economic study ([presentation](#) and [article](#))
